Sorry for my confusion. Attachment C is actually entitled "Form of Sight Draft" and is published on the site web page. The title does not make it clear that it is the form of financial assistance. I'll send the link along to the requester and let him know it is on our web page.

Thanks for your help!

Joe

Mike,

It's not necessary to contact CFAC. We just need to retrieve the appendices from SDMS. Maybe Shawn McCaffrey could assist with this using the SDMS references provided originally by Andrea below. I'm copying Shawn to see if he has time to help out. (He email shows that he is out of the office until 7/30).

I don't seem to have a copy of appendix C as well. I could try and contact John Stroiazzo for a copy?

Mike

Joe,  
I don't have a scanned copy of Appendix C, but Andrea's email below references the SDMS number range for all of the appendices. Hopefully, this helps narrow the search. The AOC and appendices are considered public documents, and may be released outside the agency. Mark

Attached is a copy of the final CFAC RI/FS AOC that was issued yesterday. The attachments are too voluminous to include but are in the records center under SDMS numbers 1719918 through 1719921.
